International Spring Tour to Glasgow, Scotland

We are excited to announce the first-ever UDA International Spring Tour. This is the chance you've been waiting for—open to all players from our three respective programs. After the buzz of the UDA Cup at Lillleshall (where the English national team formerly trained), we want to keep the momentum going. It's about more than just repping your academy; let's build some real connections, spend time, and make memories together. We're all part of the UDA family, so let's get to know each other on and off the field, and create connections that go beyond the game and carry forward into our careers and the rest of our lives.

In May 2024, we're taking the crew to Scotland, and spending four action-packed days with the legendary Glasgow Rangers Football Club. Picture this: showing off your skills against local pros, hitting up killer training sessions with the Rangers academy staff, and catching some epic sightseeing. We'll get a tour of the Rangers stadium and—if the stars align—a Scottish Premier League game. This isn't just about the banter; it's your shot to shine in front of the big leagues. Get hyped for a trip that's about more than just soccer—it's about connecting, showing what you've got, and making memories that last. Scotland, here we come! 🇬🇧⚽🏴󠁧󠁢󠁥󠁮󠁧󠁿 #UDASpringTour #GameOn
